Heavy Duty Cleaner

34107 12 x 946 mL (RTU)
34106 4 x 4 L
34109 20 L

About the EcoLogo™ Program

An ISO 14024 program, the EcoLogo program provides third-party proof to purchasers – public, corporate and consumer – with assurance that the products and services bearing the logo meet stringent environmental standards. These products have been verified against EcoLogo's strict criteria for toxicity, biodegradability and bioaccumulation, prohibited and restricted compounds, physical properties and packaging. These products are helping to limit the release of volatile organic compounds (VOCs), the growth of blue-green algae, eye and skin irritations, and the release of carcinogens.
